

NEWSPAPER PARCEL STAMP PERFINS

Maurice Harp

Below is a copy of a Metropolitan Railway Newspaper Parcel stamp with the perfin D3110.03 DM, which is known as used by the Daily Mail. In Bulletin 288 this perfin was recorded on a 3d LNER railway stamp and in Bulletin 345 a 2d LNER stamp was illustrated. However I believe this may be the first time this die has been recorded on a Metropolitan Railway stamp. This particular stamp was on e-bay and was sold for £27.50.

D3110.03

Over the years a number of Railway Newspaper Parcel stamp perfins have been reported in the pages of our Bulletin. I have pulled together a list of all the perfins reported in the last Bulletin and known to me from other sources. In my list I have also included the Manchester Parcel Co stamp reported by Jeff Turnbull in the last Bulletin. If any members can add to this list I will be grateful for the information.
